

Dear Sponsor,

## Dust off your hat, shine up your boots and Support the 2nd Annual OREGON RESCUE CHALLENGE!

After a successful first year event we're rolling up our sleeves for the second **Oregon Rescue Challenge** and we know that you'll want to play a major part of this statewide event! Oregon equine rescues will meet up and compete with their selected horses and trainers for a creative and exciting competition and adoption. Homeless, wild, abused and neglected, these amazing equines will showcase their hearts and talents at Rim Rock Riders Event Center, across from Brasada Ranch June 29-30, 2018.

- Horses and trainers will meet and greet potential adopters and **adoptions** will follow.

**About Us: Oregon Rescue Challenge** was inspired by the very successful 2015 Rescue Revolution, a Trainer Challenge. In 2017 we expanded our reach to include Equine Rescues from around the state, offering professional training to even more "At-Risk" horses.

### 2017 Oregon Rescue Challenge Successes:

- **12 horses trained and adopted!**
- **Media partners: Zolo Media, KTVZ News, My Window, Bend Bulletin, local publications, Facebook and more!**
- **Rescue Round Table-a collaborative, networking meeting of Equine Rescue organizations!**
